

Cleveland/Srixon Golf Match Play Tournament

The match play tournament will be a 64-man (or woman) bracketed event. Each match will be played using **handicaps** (similar to Ladies or Men's League). Each player may pick what tees he or she will play from and the handicap will be adjusted accordingly. The cost of the tournament is **\$25 per person**. Must sign up by May 25th because the bracket will be randomly drawn on May 26th.

The first round of the tournament will start on June 1, 2009. You have approximately 24 days to complete each round. You are responsible for lining up your own match with your opponent. The official board in the hallway by the pro shop will have the results and phone numbers for all participants. If you have not completed your match in the 24 days, each player will forfeit. If unique circumstances come up, please talk to Nate.

SCHEDULE

First Round (32 players) June 1-June 25

Second Round (16 players) June 26-July 20

Third Round (8 players) July 21-July 14

RULES

Match play is played by holes. Since this is a handicapped match play tournament, a hole is won by the lower net score. A match is complete when one person is up more holes than there are holes remaining to be played. Matches cannot end in a tie. Handicaps will also be used for extra holes. Further explanation can be given on match play format in the pro shop.
