Message From the Board President:

Dear Members,

I think I speak on behalf of everyone when I say it's time for the weather to warm up so we can all get out on the golf course and enjoy the Country Club.

First, as many or all of you may know, Nick Schon will be leaving us in the next week or so. We wish Nick the best of success in his future and thank him for his time at the Carroll Country Club. This past week the Board hired Jarad Wolfe to be the new Clubhouse Manager. Jarad is from Bagley and has past experience at Lonestar Steakhouse, Prairie Meadows, and Johnny's Italian Steakhouse. We feel Jarad will be a great asset for the Club. Jarad will be starting in the next few days, please introduce yourself and give him a warm welcome to the Carroll Country Club.

This year we will be introducing a new membership promotion. After much discussion the board felt what better way to promote and grow our membership then to have our members assist with recruiting new members. Any member who brings in a new member will be credited money towards their monthly statement or the credit can be passed on to the new member. The Club's success relies heavily on our membership so I encourage all of you to help us in bringing in new members. The details of this program are attached in the newsletter and also will be published throughout the clubhouse.

We wish to extend a thank you to Dirk Glynn, Tom Burns, and Todd Kanne for their service as board members the past three years. Thank you for all the hard work and your commitment to the club. We welcome the new members to the board of directors, Randy Bierl, Chad Kanne, and Larry Olberding.

Looking forward to a great year,

Kyle J. Atkinson
Board President

Club Updates:

Dear Members:

Can you believe it's already April? Mother Nature has been throwing us a mixed bag of weather the past couple of weeks, but Jim and his crew have done amazing job on the course and got it opened up two weeks ahead of schedule!!

Coming up this month we will be kicking off the Men's and Ladies leagues as well as hosting a few High School golf matches. Men's league will have the annual pre-season meeting on the 5th at 7:00PM as well as a Masters Dinner and the opportunity to take a chance at our Masters Pool. Everyone is encouraged to come on out, get your teams registered and have a delicious meal. If you will not be able to attend the meeting and would still like to get in on the Masters Pool you can pick up an entry form in the Golf Shop any time prior to April 7th. The ladies will be holding their annual league meeting the evening of the 27th also at 7:00PM.

Lastly I would like to thank everyone for the opportunity to serve you as your new Head Golf Professional this year. I am very excited for the upcoming season and can't wait to see you all on the course! Be sure to stop in the Golf Shop and check out the new equipment for this season. If we don't have what you're looking for in the shop I can order most items and have them typically within a week. Also there is an assortment of some left over inventory from last season that I have marked down significantly. Hurry in to get the best selection because they will not last long at these prices!

Paul Tigges
Head Golf Professional

Thank You

As many of you know I have accepted the Head Golf Professional position at the Wolf Run Golf Club in Reno, Nevada. I want to THANK all of you for your friendship and support you have given me while serving as your General Manager and Head Golf Professional. If you are in the Reno/Tahoe area visiting and would like to tee it up while you're there, you may email me at golfpro114@yahoo.com.

*Thanks again,
Nick Schon*

Course Updates:

The golf course came through the winter in good condition and we opened on March 23rd but the weather has not allowed many golfers to get out and play. One of these days we will get some warm spring weather and when we do, remember to get out for a round or two of golf.

Baron Brinkman is remaining on as Assistant Superintendent and the golf course staff is going to be a good mix of experienced and new members. I am excited to get the new golf season under way. All that is needed is sunshine, warm weather, timely gentle rains and green grass. Is that asking too much?

See you on the course,

Jim VonAhn, CGCS
