# AUGUST NEWSLETTER

## A MESSAGE FROM YOUR BOARD PRESIDENT:

Dear Members,

Another great month down as we head into the home stretch of summer!!

Great fireworks, our first annual Member-Guest Tournament, Candy Classic, City Tournament and Par-TEE, all highlighted a rockin' July at the CCC.

August brings the Club Championship, Match Play, and Country Club Cup events. Thanks for everyone's great involvement in your Club's events and activities— we are having a great year thanks to your patronage!!

Special thanks to our outstanding group of summer employees for a job well done!! Let's all be sure to thank them for their great efforts and wish them luck as they head back to campus!

Let's have an awesome August at your CCC,

Todd Kanne

Club President

## A MESSAGE FROM YOUR GM/HP:

Dear Members:

It seems like the summer just began, and its hard to believe I'm writing the August Newsletter! What a summer we have had at the Club so far with the numerous class reunions, golf events, birthday parties and even a wedding reception! The Club has definitely been a lively place this summer.

We will continue this positive energy into August with our Club Championship and Calcutta August 6-8. Join us Friday night August 6th at 7PM for the Calcutta auction. Call your friends and sign up in the Golf Shop for your Saturday tee time. We will again have the Gross and Net and Senior Divisions for Men, and a Ladies division. Don't miss out on this opportunity to have bragging rights as "Club Champion" for the next year!

Our "back to school" pool party will be Thursday, August 19th. Don't miss our always popular cannon-ball contest as its sure to be a crowd favorite again this year. Last year's competition went down to the last dive!

Be sure to check the August calendar as we still have a few events that will require the golf course to be closed for a short amount of time. You can always call us to get the latest information on course availability or to make a tee time.

Here's to a lot of good golf and fun left at the Club this year,

Nick Schon

General Manager and Head Golf Professional

## GOLF COURSE NEWS:

### TIPS FOR GOLF CARTS WHEN THE GOLF COURSE HAS RECEIVED SIGNIFICANT RAINFALL

- NEVER drive thru standing water in the rough or fairway areas
- ALWAYS follow ropes directing carts back to paths or dry areas
- ALWAYS check with the Golf Shop to ensure carts are allowed on the course
  - Watch for special signage or other markers that direct traffic
- Stay on the cart paths as much as possible to avoid heavily saturated areas

Enjoy the course,

Jim VonAhn, CGCS
