Message From the Board President:

Dear Members:

Happy Super Bowl Week to all!! It should be a great game as two traditional powers with nationwide fans bases square off! My pick –Steelers by 3. Join us at the Club for the game, munchies, appetizers and chances to win a little cash!

We had an excellent January thanks to Ray's focus on the kitchen and a very successful Smokehouse Weekend!! It was some great Q!!! We look forward to a fun filled February. We will spend February planning the year event by event, league by league, etc., to ensure a successful 2011 golf season.

Nick claims that while he was in Orlando he was really close to getting Natalie Gulbis to pay us a weekend visit to the CCC!! We will keep you updated on any developments.

A message from your General Manager/Head Golf Professional

Dear Members:

It's beginning to look a lot like.....golf season! As I write this it's nice to see bits and pieces of turf on the golf course from the recent snow melt. And fortunately this year, the number of branches laying on the ground has decreased somewhere in the thousands!

I was able to attend the PGA Merchandise Show last month and observe all the latest and greatest the golf industry has to offer. From drivers to divot tools-the show had it all. The Golf Shop again this season will be stocked with brands such as Adidas, Callaway, Ping, Taylor Made, Titleist, and Under Armour. Save time and money by skipping a trip to the big box stores and visit your Golf Shop here at the Carroll Country Club.

Be sure to mark your calendars for our Super Bowl Party, Family Night, and Guest Chef Night this month.

Here's to golf in the very near future,

Nick Schon

General Manager and Head Golf Professional

Course Updates:

Dear Members:

For this newsletter I am going with the old saying “no news is good news”, because there really is nothing new to report. Baron, our Assistant Superintendent, and I are still preparing the equipment for the coming golf season, continuing our education by attending seminars and trade shows, finalizing the maintenance plan for 2011 and moving snow. All in all, it has been a pretty typical January in Iowa.

I can hardly wait for spring so I can get outside of these four walls!
