## FEBRUARY NEWSLETTER

### A MESSAGE FROM YOUR BOARD PRESIDENT:

FAREWELL    SHALOM    ADIOS    AU REVOIR

The time has come for the changing of the guards so to speak. I complete my presidential duties in early March at the CCC Annual Board Meeting. As the outgoing president I would like to give a sincere thank you to all the board members who are so giving of their time and are truly dedicated and committed to the Carroll Country Club. Please join me in welcoming Randy Hockom as your 2009 Carroll Country Club president. As a club member and board member Randy demonstrates a passion for this club and understands that decisions are made with the philosophy of running and making those decisions as if the Club were a business of your own. We are truly fortunate to be in the good hands of Randy, the board, the management, and the staff.

The "just one more" theme that I adopted early in 2008 was a message to each of you to get more involved and take advantage of the facility that you are a member of. You answered the call and did just that. It was evident that each of you are passionate about keeping the Club financially strong, utilizing the club, and inviting guests to see why the Club is the place to be. The increase in attendance at social events, special golf events, and nightly reservations is evidence. I want to thank Nate, Jim, Dave, Chad, Brenda and the entire staff of the Country Club for making these events something we want to be a part of.

In 2009, I anticipate the food and beverage experience to be the best it has ever been, the course to be in phenomenal condition, and events to be well attended; leaving people talking about their experience for days.

It has been my privilege to serve you. I can't stress enough just how much I appreciate the support and input of the membership and what a difference this experience has made. Thanks to all of you and I look forward to seeing you all for "JUST ONE MORE" at the Carroll Country Club

Lynda Dukes Franey

Can we count on an early spring for 2009? Or will the groundhog see his shadow?

### CLUB UPDATES:

The New Year is off to a busy start for us at the CCC. We had some additional holiday parties during January not to mention our Family Night, Ladies Night, and Sunday Brunch. We hope to continue to stay busy with events and parties throughout the year.

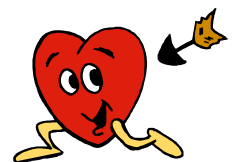

We have a special VALENTINE DINE organized for Saturday, February 14<sup>th</sup> (hint, hint gentlemen). Check out the special menu and please make your reservations early. We have Tony Bohenkamp performing live on February 20<sup>th</sup> from 8 to 11PM. He is quite the entertainer! We will also have a talent show for Family Night. Kids and adults are welcomed to sign up. We have juggling, Elvis, gymnastics, kick boxing, and comedy already, but we want more! We will have prizes and awards for the talent show.

One item, not so positive, is that we have lost a number of social and golf members as the 4<sup>th</sup> quarter report indicates. Please start recruiting new members. We have the same incentive for new members to sign up in 2009 as we did in 2008.

Lastly, please complete and return your ballot for the new board members by Saturday, February 28<sup>th</sup>. All stockholders are invited to attend the Annual Stockholder's meeting on Tuesday, March 10<sup>th</sup> at 5:15PM.

Thanks,

Nate Pettitt

## GOLF COURSE NEWS:

We have suspended the winter projects on the golf course due to the combination of snow and very cold weather. Our tree trimming project has been nearly completed. All the trees have been trimmed and all that is left is to finish picking up the branches that are left on the ground. This should not take us all that long once good weather returns.

The mid winter thaw we had back in December was nice but January has been a bit of a shock back into reality. I was hoping to get the golf course open early this year but with the weather turning bitter cold again that thought might have been a little premature. We are only a month and a half or two away from golf season but it doesn't feel like it lately.

In the mean time, we continue to repair, sharpen, paint and prepare the golf course equipment and course supplies in anticipation for the coming golf season. I am hoping February brings nice weather and the month goes by quickly.

Think Warm,

Jim VonAhn, CGCS
