## A MESSAGE FROM YOUR BOARD PRESIDENT:

Dear Members:

Happy New Year to all! Thank you to everyone who enjoyed a festive Christmas at the Club, and to all who utilized our great facility by bringing out their family or office to celebrate the holidays.

Thank you to all who responded with your vote in support of the geothermal energy project here at the Club. We will continue to move forward with the next step of the project.

Start off 2011 by joining us at the Club for Family Night, the NFL playoff games, an Italian themed dinner (time and date TBA), and our annual Superbowl party. The weather will surely be better this winter!!

Looking forward to much success in 2011!

Todd Kanne  
Board President

## **GOLF COURSE NEWS:**

With the golf course closed for the winter, things are pretty quiet around the golf course maintenance facility. After the course officially closes it is time to perform service work on the maintenance equipment, sharpen all cutting units and prepare the equipment for the next golf season. It is also time to review 2010, see what went right/wrong, things we need to improve on, set a plan of action for next year, and figure the maintenance budget for 2011. After a hectic golf season of dealing with whatever Mother Nature decides to throw at us, it is nice to sit back and relax a little to get my 'batteries recharged' and ready to go for 2011.

I would like to wish everyone a Merry Christmas and all the best in the New Year!

Jim VonAhn, CGCS
