## MARCH NEWSLETTER

### CLUB UPDATES:

We had a nice month at the Club in February. Ladies Night went well with fondue, the Family Night Talent Show was very enjoyable and the Valentine Dine was successful with over 60 dinners. We featured shark, which was delicious that night! Tony Bohnenkamp performed live at the Club. He is one of the best entertainers around this area. Sunday Brunch was also a nice event. There seems to always be something happening at the Club! If you have any ideas or requests for events please pass them on. We aim to please.

In March, we have more events. Ladies Night will test your Wii game skills. This is an interactive video game for all ages! You can test your skills on the Wii golf, bowling, and more. On March 7th, Acoustic Duo-Nitcer & Smith will be performing live! There will be a \$5.00 cover charge, which includes a free drink. Come out and enjoy the live music! We have a special St. Patrick's Day dinner planned for the 17<sup>th</sup>. We also have "dance night" for Family Night on the 18th. We will do the limbo, chicken dance, YMCA, and more! I hope we can get Pat "Jazzy" Macke to DJ. Note the schedule change, we will not be holding our March Family Brunch. Be sure to plan for our next brunch on April 12, which is Easter!

Good things continue to happen at the Club. We are gearing up for a wonderful golf season. I have some new tournaments, events, and activities for everyone. The best new idea is the Carroll Country Club Cup hosted by TaylorMade. This will be similar to the FedEx Cup in the professional golf tour. Details to come will explain everything, but you better start working on your golf game because you can win money and prizes all summer long!

I would like to inform the membership that Dave Schroer has resigned his position as Bar Manager. His last day will be March 13th. Please thank him for his 20 months of service and wish him luck in his future endeavors.

Lastly, I welcome the new board members and say thanks to those who depart. Now let's get to work!

Sincerely,

Nate Pettitt, GM & Head Golf Pro

## Celebrate St. Patty's Day at the Country Club!!

Enjoy Green Beer and Corned Beef and Cabbage

Come watch the play in game for the NCAA basketball tournament!!

Fill out your own NCAA bracket to see if you will be the big winner!

\$10 will get you entered!

## GOLF COURSE NEWS:

I am very pleased to announce that Baron Brinkman has agreed to join our golf course management staff. Baron began his duties as Assistant Golf Course Superintendent on February 11<sup>th</sup> following a stint at the Wild Rose Golf Course where he was Assistant Superintendent for two and a half years. Baron worked on our golf course maintenance staff while he was in high school so he is very familiar with the Carroll Country Club and our maintenance standards. He is a very valuable addition to our management staff and I look forward to working with him this year.

With Spring just around the corner (hopefully), this is the time of year when I start to get questions about when the golf course will open. Right now the only answer I can give is that we are still shooting for April 1. Three out of every four years we open the golf course sometime in March but it is still too early this year to make any prediction. Mother Nature makes the final decision. All we can do is wait and be as prepared as possible for when that time comes. We are making progress in regards to the preparation of the maintenance equipment and will be ready for the 2009 golf season when it arrives.

Think Warm,

Jim VonAhn, CGCS
