Message From the Board President:

April was an excellent start to the golf season and the May calendar is full of events, leagues, clinics and fun for all! The course is looking great – thanks Jim, Baron and crew! Let's all do our part to keep it in great condition by practicing good golf course etiquette. Get you bag full of the latest equipment and doll up with the newest apparel from our pro shop – Nick and his staff can get anything you need -- buy local first!

How about our local High School golf teams on their dominating performances lately, keep it up!

We look forward to working with Kevin Wanniger of Traffic Builders as we continue to strive to provide outstanding service in the bar and dining room.

Kudos again to Ray and his staff as they continue to put out excellent food!

I would like to welcome all our new members – I know you will enjoy your time at the Club!

Tee It High and Let It Fly,
Todd Kanne

Club Updates:

Dear Members:

Spring has certainly sprung at the Carroll Country Club! I hope many of you had the opportunity to take advantage of the fantastic weather April gave us and snuck in a few swings. The golf course is cleaned up from the winter storm and is in spectacular shape!

Hopefully the month of May will treat us to more great golf weather at the Club. Men's League will be in full swing, and we will again be hosting our Ladies Golf Clinic's each Wednesday evening at 6PM. A Ladies Guest Night will be held on May 26th as a precursor to our 2010 Ladies League. This will be a 9 hole event starting at 5:30PM. Bring a guest and show them what the Carroll Country Club is all about! And for you Couples League participants, don't miss out on or League Meeting on Friday, May 7th at 6PM. The first night of Couples League will be Friday, May 28th.

Golf aside, we also have a few important social events here at the Club in the month of May. Don't forget our Mothers Day Brunch on Sunday, May 9th. Ray will once again have a great selection of breakfast and lunch items to treat mom to a special day. Reservations are recommended for this day so please call ahead to reserve your spot. We will also be hosting a rehearsal dinner at the Club on Friday, May 21st. The Club will be closed for all dining and beverage service on this evening. We apologize for any inconvenience this may cause.

Please let any of us at the Club know if we can ever be of assistance to make your experience as a member even better. Whether it be a putting together a corporate golf outing, hosting a dinner meeting or pool party, we have a staff willing to serve you.

Here's to another great month at the Club!

Management and the board have discussed the advantages of the membership having a list of fellow members for their reference. We would like to do a mailing of this list in the next few weeks. The list would include member's names and home phone number. If you would choose not to be on this list you must email or call Brenda at 712-792-9206 or Brenda@carrollcountryclub.com. Thank you!

Course Updates:

A million Thank You's to everyone who helped with the Member Clean-up Days this past month. All the donated man and woman hours of labor and equipment turned a seemingly mountainous task into a very manageable project. Because of everyone's help, we were able to open the golf course almost on schedule. I never would have guessed that could have been even remotely possible after all the damage the trees received from the January ice storm. Over the years, I have been asked why I have stayed here in Iowa for so many years and truthfully, after this winter I am wondering that myself. The answer is really simple: It is because of the members of the Carroll Country Club. Whenever the golf course was facing disaster or just needed some extra help in solving an issue, the members have always been there to help. There may well be better Superintendent positions out there, but I work for the best member based Country Club anywhere! Once again, Thank You All for your help in cleaning up your golf course.

Thank You!

By the time I see everyone again, I will be officially married! I want to take the time to thank everyone who has given well wishes and congratulations to myself and Jamie.

I want to specially thank the ladies league for the nice toast, marriage tips, and the generous wedding gift. It will be saved for our honeymoon this winter. Your thoughtful gift and well wishes are a blessing.

*Thanks again,
Brenda (Stickrod) Schoneboom*
