A Message From Your Board President:

Dear Members,

My message is simple—keep playing golf and make the Carroll Country Club your preferred destination for your dining and entertainment activities!! Ray and his staff have the place buzzing!!

Thanks to all who continue to support and help us with our various Club Improvement projects. Also welcome to Janel Snyder who is now working as our accountant.

Enjoying a perfect fall,

Todd Kanne

Board President

A letter from the Golf Course Superintendent:

The cart path renewal project is scheduled to continue this next week with a pour date of Saturday October 9th. This is going to be the final stage and have scheduled this to be the largest amount of concrete poured in one day. As always, volunteers will be needed. Please contact Nick at 792-1255 or call my office at 792-6712 if you would like to assist on October 9th. Thank you.

We have a Fall Member Clean-up Day scheduled for Wednesday October 20th starting at 1PM. The plan is to remove the dead and/or dying trees across the golf course. Last year we had a tremendous turn out, as always, and were finished before 5:00. I don't anticipate removing as many large trees as last year so hopefully this year goes as smooth as last year.

Our aerifying process for the putting greens and the tees has been completed and they are healing quite nicely. I have been getting reports on how good the greens are playing despite not getting both nines completed last week. So come out and enjoy your golf course, the weather don't get any better than this!

A message from your GM/HP and Clubhouse Manager:

Dear Members: I hope you all had a chance to enjoy the spectacular weather that September had to offer. We had an active month at the Club with the Carroll Chamber of Commerce Golf Outing and several other events.

The Club has had a very prosperous year financially so far, and I hope to help the Club finish the year strong. October will bring us the Cross County Ryder Cup on the 3rd, Taste of Tuscany weekend the 15th and 16th, the Chili Open on the 17th, and our Halloween themed Family Night on the 20th. Don't miss these great events! The golf course is in spectacular shape so come out and enjoy a nice fall morning or afternoon! See you all at the Club very soon,

Nick Schon

General Manager/Head Golf Professional

Thank you to all who came out to dine and enjoy the Club last month. I am feeling very welcomed in my new position. October is full of opportunities to come out and enjoy the Club. We will be running dinner specials all evening following the Ryder Cup event on the 3rd. We are very excited for our "Taste of Tuscany" weekend on October 15th and 16th. The menu will feature an Italian theme for the entire weekend. And finally, don't forget Family Night on October 20th. We will have a Haunted House and fun treats for the kids!
